

CREMATORY WITNESS RULES AND REGULATIONS

The Crematory is not generally open to the public and witnesses to a cremation are only allowed for religious or other similar good cause and only with the consent of the Crematory. Because witnessing a cremation is a privilege, the following Rules and Regulations have been adopted by Crematory for the mutual protection of its employees and of all persons who are authorized to witness a cremation service at the Crematory.

1. No person may witness a cremation unless they are a close relative of the decedent, a close friend of the decedent, a member of the clergy who officiated the funeral or memorial services for the decedent, and they or someone legally authorized on their behalf, executed an approved Witness Authorization form from the Crematory.
2. Witnesses must comply with the instructions of Crematory personnel at all times.
3. Witnesses shall remain at the approved location for viewing the cremation services.
4. Upon advance notice to Crematory and with its consent, one Witness may be designated to start the cremation unit for the cremation.
5. No witnesses, other than the one designated to start the cremation unit may be near the cremation unit.
6. Witnesses shall maintain the decorum required for a ceremony of this kind and may be removed by Crematory personnel for any violations.
7. Children, other than members of the immediate family of the decedent, will not be allowed to witness a cremation service.
8. Because of the limited facilities of the Crematory for witnessing, any person who has any physical limitations must notify the Crematory of those limitations and any special requirement in advance. If the Crematory is not notified in advance, it reserves the right to restrict the witnessing by the person if it is unable to reasonably accommodate their special requirements at that time.
9. Witnessing a Cremation can be an emotional experience. Because witnessing a Cremation is a privilege, Witnesses are assuming the risks involved and understand that Crematory has no responsibility or liability with respect to the process.
